IMPORTANT MESSAGES

The Kansas DM Page is associated with the Welsh tradition of Dynion Mwyn (Gwyddon, Gwiddon) Witchcraft. We are hosted by NewAge-Journal.com who has donated space for our page on their server. We are an educational network dedicated to correcting misinformation about Pagans, Witches and Witchcraft in General and Y Dynion Mwyn specifically. Witchcraft and/or Wicca are legally recognized religions in the United States and it is our mission to protect their rights through education and awareness.

It is our belief that Pagans are generally good people! By keeping abreast of the latest news and updated information, as well as having ready access to critical resource tools, we, as Witches and Pagans, can not only empower ourselves, but we can develop programs to educate our local towns and cities on who we are and what we do.
